EMERGENCY CARE

In the event the above described pet should become ill or injured and should require veterinary care, I as the responsible party, do authorize GET-M-HOME TRANSPORT to take the pet to a licensed veterinarian for treatment. I will take full financial responsibility for all bills incurred. If GET-M-HOME is unable to reach me, I authorize them to make any emergency decision they deem necessary for the well being of the pet. By submitting the above form, I certify that I have read and understand this document. I agree to hold GET-M-HOME TRANSPORT harmless for any illness or injury of my pet incurred during or after the transport of my pet.

In the event that you need to reschedule your transport, you must do so within 5 days of transport day or you forfeit your payment. It is important that you notify us immediately upon you change of plans.

CANCELLATION

Cancellations must be made no later than 7 days before the scheduled pick-up date. Cancellations made after payment has been processed will receive a refund of the cost of the transport less a 25% cancellation fee. If you cancel after the 7 day deadline, you will be charged the full transport fee and no refund will be given.

PICK-UP:

If no person is present at the time of transport and/or the above described paperwork is not in order at the time of pick-up or delivery, we may have to continue without your pet. You will be charged for the full amount of the transport cost. We recommend that you make alternative arrangements in case the responsible party is unavailable. **Note: we drive 24 hours & may have to pick up in the middle of the night. We will call you 30 min. before pickup if this is necessary.**

DELIVERY:

If no one is available to receive the animal and/or we are unable to contact the responsible party, there will be a daily fee of \$100.00 per pet to defray the cost of care and boarding. The receiving party will be responsible for these extra charges. It is highly recommended that alternate arrangements be made in case the person responsible for receiving the animal is unable to do so. The receiver must be available 24 hours a day. Due to conditions beyond our control we cannot guarantee an exact date or time for pick up or delivery. We will attempt to contact you 24 hours before pick up or delivery. **Note: We WILL NOT transport animals in cramped crates. If you choose a size too small for your animal, we will upgrade to the proper size for your animal. You will be billed for the difference & agree to pay in full.**

RIGHT OF REFUSAL: Our drivers are given the right to refuse acceptance of your pet because of failure to follow the above-mentioned terms, and/or your pet is found to be vicious or sick. By submitting the above form and/or making payment you are agreeing to this Transport Agreement.
